

Visit of H.E. Mr Pavan Kapoor, Indian Ambassador to the UAE to first well in Onshore Block 1 concession in Ruwais

H.E. Mr Pavan Kapoor, Indian Ambassador to the UAE visited first well in Onshore Block 1 concession in Ruwais on 12th April 2021. His Excellency was accorded a warm welcome by Mr Pankaj Singh, Chief Technical Officer, Urja Bharat Pte Limited and Mr Shikhar Agarwal, Chief Financial Officer, Urja Bharat Pte Limited in the presence of other site officials and engineers.

During the site visit, H.E. Mr Pavan Kapoor took a keen interest to understand all the surface facilities and witnessed the oil flow to the surface during the production testing operations of the well. A presentation was presented to the Indian Ambassador, giving a brief overview of the current activities in the Block and future plans. He appreciated the work done by the officials and engineers and was happy to see the way the project is progressing.

While interacting with the officers, His Excellency emphasised that the energy sector is very important for cooperation between the UAE and India. H.E. Mr Pavan Kapoor lauded the efforts of Urja Bharat Pte Limited for playing a very important role to reach this milestone and also appreciated the health & safety measures taken by UBPL site officials in view of the current pandemic situation & wished all the success to the project team.
